## TERMS OF SALE

- A. The American Numismatic Association's "Official A.N.A. Grading Standards for United States Coins" is used by the cataloguer.
1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to K ATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of material.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made. On books we charge \$2.00 handling fee for packing and processing up to 10 books; each additional book 10¢.
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U.S. funds. Canadian and foreign collectors should send an International Money Order or Bank Drafts made out to a New York or Washington Bank.
7. All books are as described. The actual title in a foreign language is given — the cataloguer may interpret the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 30 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A List of PRICES REALIZED will be published about three weeks after the sale. By marking your bid sheet or ordering before the sale date, the price is \$2.00.
11. Lots delivered in the State of Maryland are subject to a 5% Sales Tax and will be added to the invoice.

The Maryland State Numismatic Association was founded as a non-profit corporation in 1972 largely through the efforts of Mr. John B. Henry. Its original purpose was to unite the many clubs as well as individuals throughout the State of Maryland and to increase awareness and knowledge in numismatics in the state. In the six years since its founding M.S.N.A. has accomplished this, plus adding the Kent Club of Delaware and individual members from all over the U. S. and Canada.

A quarterly publication "The Maryland Numismatist" containing both M.S.N.A. and individual club news in addition to various numismatic articles is distributed without cost to each member. An Educational Seminar is held each year on the first Sunday of November and we have been privileged to hear from some of the most knowledgeable and foremost numismatists in the country.

A yearly convention combining Educational Seminars, Exhibits, Special Interest meetings, Bourse and Auction is held in the Spring of the year. Every other year the convention is held in the Baltimore area and in alternate years other areas of the state. Each convention is co-sponsored by a local club who assumes a portion of the work associated with the convention. This years' convention will be held April 15 and 16, 1978 at the Baltimore Hilton Inn and is co-sponsored by the MARYLAND NUMISMATIC SOCIETY.

M.S.N.A. dues are \$4.00 per year for individuals, \$10.00 yearly for clubs. We extend an invitation for all to join M.S.N.A. For more details write M.S.N.A., POB 6533, Sparrows Point, Md. 21219.
